

**Mental Health Specialist
Regular, Full-time, Exempt
August 2018**

Our Mission

Safe Passage is dedicated to creating a world free of domestic violence and relationship abuse.
We support survivors and their families.
We engage our community.
We advocate for systemic change.

Safe Passage provides individualized support to address survivors' holistic needs for safety and healing in the aftermath of domestic violence and relationship abuse. Our programs include emergency shelter, trauma-informed counseling and support groups for survivors, families and children, community engagement and prevention, and individual and system advocacy.

Expectations of all employees

In the performance of essential and general job responsibilities, all Safe Passage employees are expected to:

- Demonstrate commitment to Safe Passage's mission and principles of diversity and inclusion.
- Represent Safe Passage in a professional and competent manner to clients, organizational partners, and other stakeholders.
- Perform quality work within deadlines.
- Work effectively as a team contributor on all assignments while contributing to a positive working environment for staff and volunteers.
- Work independently while understanding the necessity for communicating and coordinating work efforts with other employees and organizations.

Position Purpose

As a member of Safe Passage's counseling team, the Mental Health Specialist has primary responsibility for providing crisis intervention, advocacy and counseling to survivors of domestic violence. The Mental Health Specialist provides consultation, training, and support to Safe Passage staff and community collaborators to increase agency and community capacity to

provide trauma-informed services to survivors of domestic violence, using a multicultural empowerment model.
